SEASONAL ROADS
 The Board of County Road Commissioners has established a seasonal road system pursuant to Section 24 of the Public Act 31 of 1957 (MCL 247.655) as amended by Act 194 of 1981. Seasonal roads are under the Road Commission's jurisdiction from the first day of November to the first day of April. Road Commission's jurisdiction ends on the first day of May. The Board's decision for the months of November to April is the volume of motor vehicle traffic that use the road, the condition of the road, the condition of the weather, and the condition of the road materials. The Board's decision for the months of May to October is the condition of the road materials and the condition of the weather. The Board's decision for the months of November to April is the volume of motor vehicle traffic that use the road, the condition of the road, the condition of the weather, and the condition of the road materials. The Board's decision for the months of May to October is the condition of the road materials and the condition of the weather. The Board's decision for the months of November to April is the volume of motor vehicle traffic that use the road, the condition of the road, the condition of the weather, and the condition of the road materials. The Board's decision for the months of May to October is the condition of the road materials and the condition of the weather.
