# RESOURCE RECOVERY PROGRAM

## PROGRAM SUMMARY

Participating Governmental Units (PGUs),

Together, we celebrate another successful year of recycling!

The enclosed report provides an overview of Resource Recovery Program activity from January 1, 2023 through December 31, 2023.

Overall, the Resource Recovery Program collected \$1,187,028.12 in revenue and paid \$1,118,648.20 in expenses.

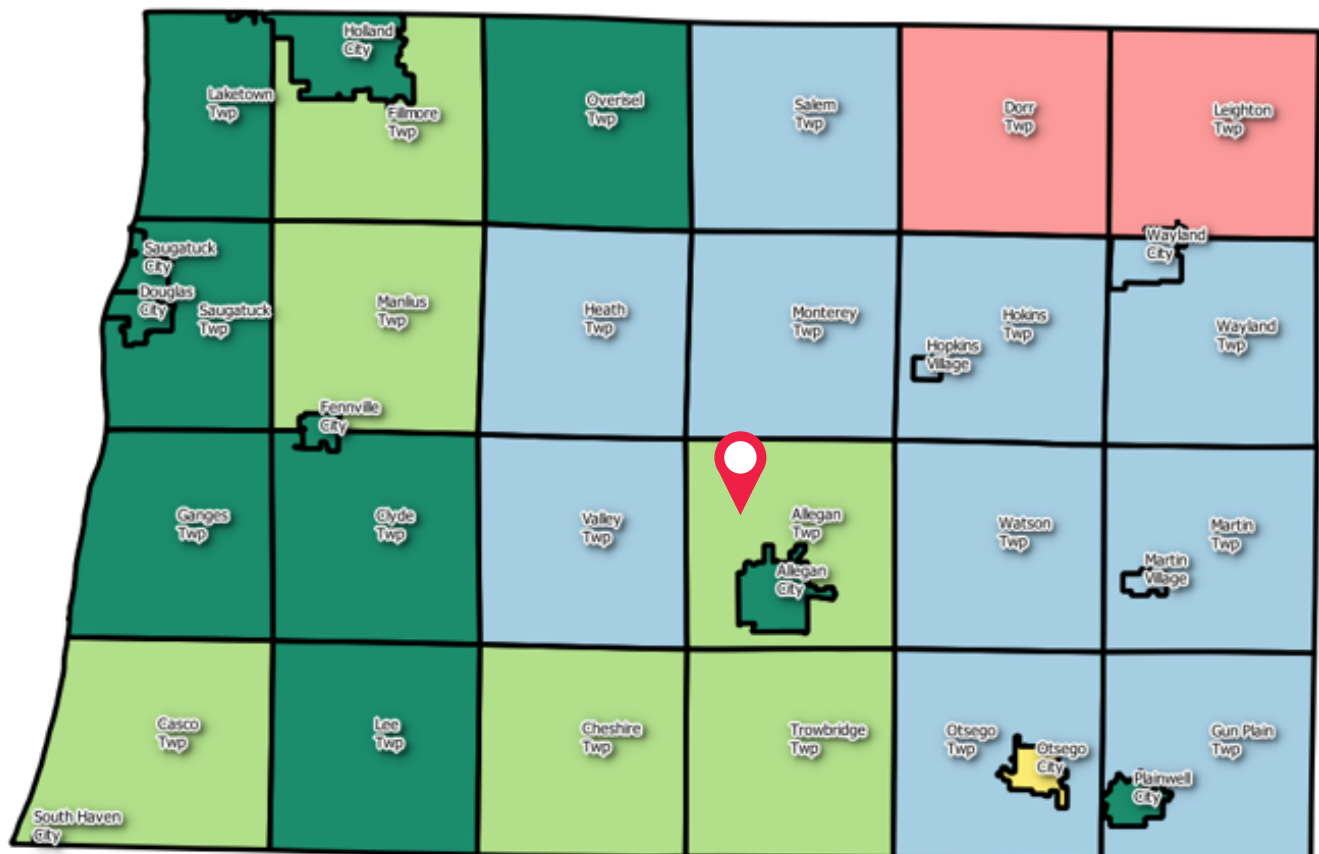

Revenue collected by each PGU is placed in an individual recycling surcharge account, and all financial activity is recorded in EDEN. Individual financial reports are available upon request.

Thank you for your participation!
