## A Message from the Chief Judge

It is once again my honor and pleasure to serve as the Chief Judge of the 57th District Court, Allegan County. It is my privilege to report on the progress our court and staff have made to promote greater access to Justice and create efficiencies within the courthouse.

District Court has led Allegan county and West Michigan in the development of specialty courts. Judge Skocelas' mental health treatment court was one of the first in West Michigan and is now considered the gold standard. Judge Skocelas also mentors judges starting new mental health treatment courts in their own jurisdictions.

I am proud that I have also been able to establish strong specialty courts for the benefit of our county. First came the Adult Drug Treatment Court, which focused on felony drug offenders. The second court, which I confess is my proudest achievement, is the pioneering West Michigan Regional Veterans' Treatment Court (WMRVTC). The first such regional veterans court that partners with and has jurisdiction over Allegan, Ottawa and Van Buren counties. WMRVTC turned 10 years old this year and we celebrated the successful graduation of our 50th veteran corps member this December. Thirdly we have created and I continue to preside over a strong and highly successful sobriety treatment court. We are doing our best to expand our capacity in this court as demand continues to grow.

After many years of discussing the possibility, our District Court, teamed with the SCAO to launch MiFILE, allowing the entirety of our civil docket to transition to 100% paperless. Although this transition created some unique challenges, the district court staff rose to the occasion to make this process seamless for the public. This, together with allowing nearly all of our hearings to be conducted via zoom, further enhances public access to Justice. Obviously, this removes a significant obstacle for many of our citizens by allowing them to attend court hearings without having to take off time from work, arrange transportation or childcare or any number of other matters that interfered with physically appearing in court.

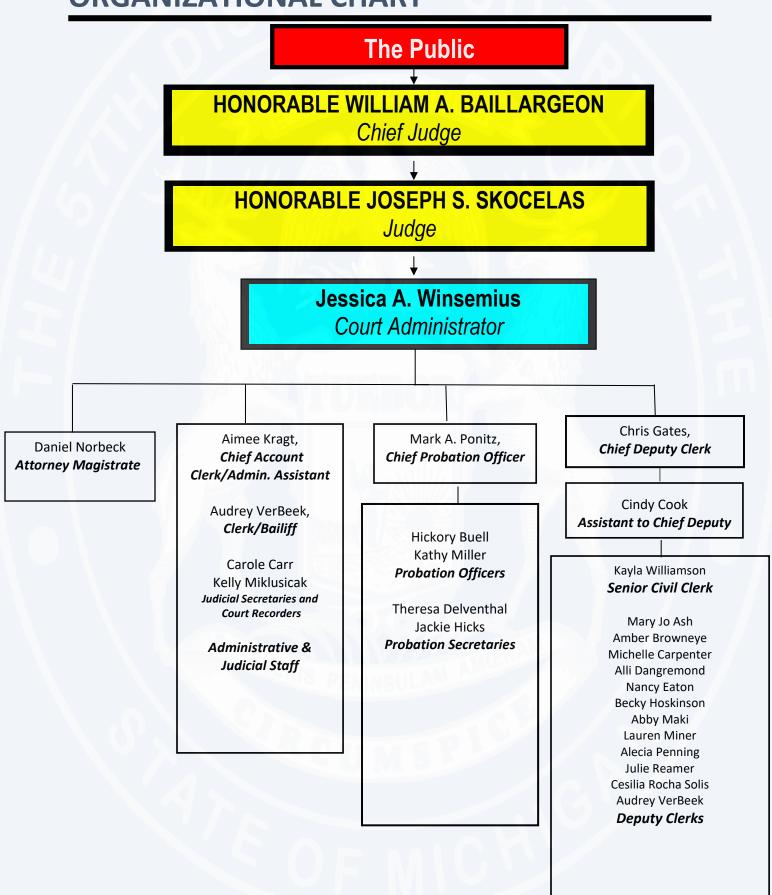

District Court also had a great deal of success implementing the Clean Slate legislation, allowing citizens to effectively hit the reset button for some of their past mistakes.

Happily, continuing our march back from the restrictions of the pandemic era, District Court has fully eliminated all backlogs and has also resumed conducting marriage ceremonies.

Respectfully,

Judge William A. Baillargeon Chief District Court Judge

#### **CIVIL DIVISION**

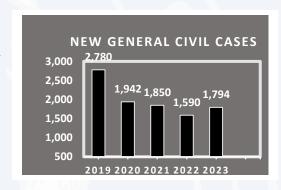

The Civil Division consists of the following sub-divisions:

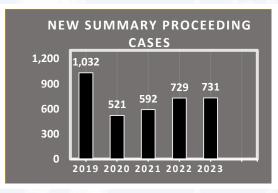

The *General Civil Division* processes all civil cases under the \$25,000 jurisdictional limit; limited claim and delivery civil actions; limited writ of attachment and garnishment; and forfeiture or seizure of certain property.

The *Summary Proceeding Division* processes cases generally brought by a landlord to recover possession of a dwelling when a tenant fails to pay the rent or when the landlord or owner wishes to regain possession of his/her property. Summary proceedings include land contract forfeitures arising when a purchaser does not pay the amount agreed upon in a contract. A landlord may obtain an Order of Eviction to evict a tenant, or land contract vendee.

The *Small Claims Division* processes cases with recoverable maximum monies up to \$6,500.00 (increased from \$6,000 to \$6,500 on 1/1/21). Small claims litigants have the right to remove a case to the General Civil Division or to remove a case from magisterial jurisdiction. Actions are filed in the county in which the cause of action arose, or in which the defendant is established or resides or is employed. Small claims litigants waive their right to a jury trial and cannot be represented by an attorney.

Small claims cases are heard by the Attorney Magistrate.

## **PROBATION**

The functions of the *Probation Department* are to assist the Judges in determining an appropriate sentence and to supervise probationers ensuring that they comply with the terms and conditions of the orders of the Court. Probation Officers are responsible to refer probationers to qualified treatment personnel and to introduce them to vocational or educational resources.

The total number of defendants placed on probation during 2023 was 316. The total number of probationers being supervised by the Probation Officers for the period ending December 31, 2023, was 429 including diversion programs.

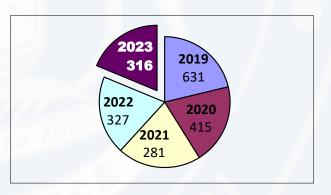

The difference between the total number placed on probation (316) and supervised (429) reflects the number of probationers who completed their terms and conditions of probation and were released. The time span of probation can generally range from a minimum of 30 days to a maximum of two years. Consequently, probationers are continually being released and new probationers added.

The table below reflects the number of probationers placed on probation during the year.

#### MENTAL HEALTH TREATMENT COURT

On September 14, 2009, Judge Skocelas and the 57<sup>th</sup> District Court, teamed with representatives of the Allegan County Sheriff's Department, Allegan City Police, Allegan County Prosecutor's Office, Allegan County Community Mental Health, Michigan State Police, local defense attorneys, and local substance abuse providers to create a Mental Health Treatment Court in Allegan County. The treatment court is fully certified by the State Court Administrative Office as a Mental Health Treatment Court in Michigan. The court operates on grant funding also awarded by the State Court Administrative Office. The program accepts both felony and misdemeanor cases.

Since its inception, 503 defendants have been referred to the program. Of those, 225 were accepted into the program and 273 were rejected. Of the 225 who were accepted, 139 have successfully graduated, and 5 are currently in the program – 4 in Phase I and 1 in Phase II. After acceptance into the program, 81 were discharged unsuccessfully – 58 for cause and 23 for other reasons.

Mental Health Treatment Court is a two-phase program designed for adult offenders charged with one or more criminal offenses and who are having difficulty with mental health issues, are developmentally disabled, or mentally ill defendants with co-occurring disorders (mental health/substance abuse). It involves frequent court appearances and active participation by the participant towards their recovery. It also includes frequent random drug/alcohol screens. The court provides incentives for progress and sanctions for negative behaviors. If the participant fails to follow certain rules, they may be required to report more often to the Court, spend time in jail, or face serious sanctions such as termination from the Mental Health Treatment Court. This court is voluntary; the defendant must consent to participation before he/she can be placed into the court program. The mental health courts share the objective of preventing the jailing of the mentally ill and/or of securing their release from jail to appropriate services and support in the community. In addition, each court gives a high priority to concerns for public safety when arranging for the care of mentally ill offenders.

# WEST MICHIGAN REGIONAL VETERANS' TREATMENT COURT

The West Michigan Regional Veterans' Treatment Court began operation on February 7, 2014, and was the first fully regionalized Veteran Treatment Court in the State of Michigan. The jurisdiction of the Veterans' Treatment Court is that of both the district and circuit courts of Allegan, Van Buren and Ottawa counties but it also accepts veterans from surrounding counties. It was developed and organized by Judge Baillargeon and the treatment court team to help veteran participants address underlying service related issues that bring them in contact with the criminal justice system. The court currently has 9 veterans participating with new applicants being reviewed by the team for admission as they arise. The court makes sure that veterans are provided proper mental and physical health care and follows up to ensure that they maintain their treatment protocol as well as a complete abstinence from drugs and/or alcohol. Common issues addressed by the treatment court include Post Traumatic Brain Injury, Post-Traumatic Stress Injury and issues related to substance abuse. The goal of the court is to divert veterans from prison or jail, to help them have a more satisfying productive law abiding life by addressing the underlying conditions impacting them and thereby assisting them to restore their sense of honor and integrity. The court has participants from Van Buren County, Kent County, Ottawa County, and Allegan County. We are proud to report that our regional court has already recognized 47 veterans for successfully completing the treatment court program. Many of these veterans continue to visit and support the efforts of their fellow veterans that continue to make up our veteran participant corps.

Partnering with the court from all three counties are county commissioners, judges, prosecutors, probation, law enforcement, mentors, community supervision providers, treatment providers, the Veterans Health Administration, Veterans Benefit Administration, veteran employment representatives and veterans service organizations service officers. Attorney Magistrate Daniel W. Norbeck is the Administrator/Case Manager for the Veterans Treatment Court. Magistrate Norbeck directs our field agents, Troy McCabe, who performs the remote supervision and substance abuse testing.

As required by statute, this court achieved certification in 2019 from the State Court Administrative Office.

#### **SOBRIETY TREATMENT COURT**

In May of 2017, the 57<sup>th</sup> District Court created a new treatment court specifically designed to address Operate while Intoxicated (OWI) - 2<sup>nd</sup> offenses. The goals of this new treatment court are to:

Goal One: Divert offenders from jail.

Goal Two: Eliminate substance use among substance abusers.

Goal Three: Reduce OWI Recidivism.

#### The target population criteria includes:

1. Allegan County resident or residing within the Court's jurisdiction.

- 2. No history of serious violent behavior or felony weapon charges.
- 3. Alcohol and/or drug addicted or serious substance abuse pattern.
- 4. Repeat OWI offender.

The mission of the 57th District Court Sobriety Treatment Program is to promote community safety and reduce alcohol and drug abuse through a coordinated program involving intensive supervision, judicial interaction, treatment, incentives, sanctions and accountability.

The program is now at full capacity with fifteen (15) current participants both male and female. To date, we have graduated eighty-seven (87) participants and helped one hundred and two (9) participants gain a restricted driver's license. As required by statute, this court achieved certification in 2019 from the State Court Administrative Office.

The program was developed and presided over by Judge Baillargeon. Attorney Magistrate Daniel W. Norbeck is the Administrator/Case Manager for the Sobriety Court and the probation for the participants is overseen by both the 57<sup>th</sup> District and 48<sup>th</sup> Circuit Court Probation Department.

# **REVENUES & EXPENSES**

Revenue is generated as a by-product of the fines, costs, and fees imposed by the Judges and Attorney Magistrate. State Constitution and statutes determine how the money is distributed.

The Court maintains and monitors two expense and revenue budgets: the District Court budget and the District Court Probation Department budget. Revenues collected from the District Court Probation Department for alcohol assessments and supervision/oversight costs are combined with the District Court's general fund revenues that are deposited on a monthly basis with the County Treasurer.
