WHEREAS, the proposed uses on these lands will disrupt the peaceful enjoyment of the natural resources available in Crawford County, reducing tourism and negatively impacting the local businesses and;

WHEREAS, the proposed expansion of Camp Grayling’s use of state lands is directly contrary to the Mission Statement of the DNR and;

NOW, THEREFORE, BE IT RESOLVED, that the Crawford County Board of Commissioners opposes the MOU and allowing the military uses of state lands by permit to be issued to the MNG, defense contractors, affiliates, or proxies, or the usage of electronic or electromagnetic devices, of unknown risk where the public recreates, to the wildlife, or the environment and;

BE IT FURTHER RESOLVED, that the Crawford County Board of Commissioners urge the Governor and the DNR Director to immediately terminate the MOU as provided for in that agreement and;

INTRODUCTION

We are pleased to present the 2023 Annual Report for your review. This report was prepared by the Allegan County Prosecuting Attorney, Myrene K. Koch and her staff.

The Michigan Constitution mandates that every county elect a Prosecuting Attorney whose duties are legally defined.

The Prosecuting Attorney administers public justice and is a local office. His or her duties to a large extent are local only in the sense that they are to be performed locally; for they are to be performed on behalf of the state just as much as are the duties of the judge who holds court for his or her county.

The Prosecuting Attorney is responsible for a wide array of legal functions for the County, including:

- ◆ Act as the chief law enforcement official in the County.
- ◆ Review, authorize and prosecute violations of felony and misdemeanor criminal laws of the State of Michigan and County ordinances committed inside the County.
- ◆ Authorize and prosecute felony and misdemeanor juvenile delinquency offenses.
- ◆ Represent the County in criminal matters before the District and Circuit Courts; juvenile delinquency, parental neglect and miscellaneous probate matters in the Family Court; and appeals in the Court of Appeals and Michigan Supreme Court.
- ◆ Advise the Michigan Department of Human Services on child abuse and neglect petitions, and actions to terminate parental rights.
- ◆ Attend contested mental health commitment hearings.
- ◆ Advise the County Board of Commissioners and other County departments on legal matters.

POPULATION

Out of the 83 counties in Michigan, Allegan County is one of the top 5 fastest growing counties in the state, and is the 18th largest county by population. The population has increased 33.13 percent in the last 30 years and, an increase of 8.16 percent from 2010 to 2020. As a result we have and will continue to experience the inevitable increased workload with a limited staff.

According to World Population Review’s website (worldpopulationreview.com), it is currently estimated that Allegan County’s population is 122,588. That is an increase of 2,086 in just 4 years. Allegan is the 18th largest county by population in Michigan.

Population by Year		% Increase
1970	66,575	
1980	81,555	22.50
1990	90,509	10.90
2000	105,665	16.70
2010	111,407	5.40
2020	120,502	8.16

CRIMINAL CASE CHARGING DUTY

Under Michigan Law, it is the duty of the Prosecuting Attorney to decide “if” someone will be charged with a crime and the precise nature of that criminal prosecution. Police agencies submit their investigative reports to the Prosecuting Attorney to determine if a factual and legal basis exists to initiate prosecution. The Prosecuting Attorney has a great responsibility to carefully review reports and properly charge suspects. Each investigative report, if it results in a charged crime, could result in a jury trial in District Court, Circuit Court, or Family/Probate Court; and a jury trial could cost Allegan County between \$300.00 and \$800.00 per day of trial. The chart below shows the number of Adult and Juvenile charging requests and Abuse and Neglect petitions

received by our office since 2014.

During the last year, this office reviewed 3863 adult criminal warrant requests, 531 juvenile delinquent petitions and 53 new Abuse and Neglect petitions.

On average, the office received 17.78 requests for adult and juvenile charges each day and 4.4 new Abuse and Neglect cases each month during 2023. The numbers above show how many cases were entered into our Adult Case Tracking (ACT) System and Juvenile Case Tracking (JCT) System. **(PLEASE NOTE:** The number of Adult Cases entered above vs. the number listed on page 20 varies because the number on the chart on the previous page includes Civil and Other cases entered in ACT in which warrant request forms were not submitted to our office by a police agency. Civil and Other cases for 2023 is 246. The 3617 Warrant Requests shown on page 20 added to 246 equals the 3863 listed on the previous page.)

It is important that the Office of Prosecuting Attorney have a sufficient staff of attorneys to not only be available to staff the 8 courtrooms and hearing rooms in the Circuit, District and Family Courts, but to also have attorneys available to review requests for arrest warrants and search warrants, among many other required statutory duties. Due to the serious nature of criminal cases and county civil liability, it is necessary for Assistant Prosecutors to have a sufficient amount of time to review investigative reports and prepare for each hearing.

The types of crimes being committed in Allegan County has shifted somewhat over the years. The charts above help to illustrate that point. In 2013 the top 3 felony level crimes committed were Controlled Substances (408), Assaults (239), and Crimes Against Police (231). In 2023 Crimes Against Police became the #1 most charged crime at 341 charges, which is a **47.6%** increase since 2013, Assaults moved to #2 with 303 charges, which is **26.7%** increase. Controlled Substance moved to #3 at 288 charges.

Also, the laws themselves change regularly due to changes by the Michigan State Legislature. A charge that was once a Civil Infraction, can become a Misdemeanor, and likewise Misdemeanors become Civil Infractions or they may change to a Felony.

The Prosecuting Attorney and staff have a tremendous impact on how the criminal element is handled in Allegan County. Economic pressures and constraints have been placed upon every segment of our governmental system. However, law enforcement (as well as our educational system) continues to be a vital link in our civilized society and must be protected. I point out to the Board of Commissioners that the Office of the Prosecuting Attorney is a constitutionally mandated office in Michigan County Government and the County must fund the office at a serviceable level.

ON CALL DUTIES

A Prosecuting Attorney is on call twenty-four hours a day. The Prosecutor is required to consult with police agencies, issue arrest warrants even during evenings, weekends and holidays and be available to prepare search warrants.

FORENSIC INTERVIEWS

An interview of a child typically takes one hour to complete, and assistant prosecutors are present for that part of the investigation. Interviews are conducted by a trained forensic interviewer, while the remainder of the multi-disciplinary team views the interview over closed circuit video at the Safe Harbor Children’s Advocacy Center or through the use of poly-com technology from the Prosecutor’s Office. This system was made possible by a grant through Safe Harbor and allows Assistant Prosecutors to be present for the interviews while not leaving the office. The multi-disciplinary team is led by experienced prosecutors and also consists of members of law enforcement and caseworkers with the Department of Health and Human Services, among other agencies.

OTHER ACTIVITIES

The Prosecuting Attorney continues to be active in several different areas related to criminal justice. The involvement includes membership and participation in the following agencies and organizations:

Secretary/Treasurer—Board of Directors Officer *of Prosecuting Attorney Association of Michigan*,
Vice President—Board of Directors of *Safe Harbor Child Advocacy Center*,
Co-Chair—*Allegan County Coordinating Council on Domestic Violence*,
Chair—*Case Review Multi-Disciplinary Team*,
Chair—*Child Advocacy Center Advisory Committee*,
Member—*Allegan County Substance Abuse Prevention Counsel*,
Member—*Child Death Review Committee*,
Chief Chair—*Allegan County Law Enforcement Council (ACLEC)*,
Board Member—*Ascencion-Borgess Hospital Foundation*,
Trainer for *PAAM (Prosecuting Attorney Association of Michigan)*,
Trainer for *CACMI (Children’s Advocacy Centers of Michigan)*,
Member—*Allegan County Safe Schools Committee*,
Member—*Allegan Rotary*.

OFFICE UPDATES

Our office received an initial grant of \$184,000 with an additional 3 years of service agreement payments to upgrade our office data retention system from Adult Case Tracking and Juvenile Case Tracking. The new system, Prosecutor by Karpel (PbK), will integrate both adult and juvenile systems and also allow electronic warrant submission. The system will be used statewide and is updated as needed by Karpel and PAAM. This system will also allow electronic evidence submission, creation of legal documents and subpoenas, among a great many other advances. The extent of this system will also make going paperless an easier option.

MISDEMEANOR CASES - DISTRICT COURT

Misdemeanor cases are crimes handled in District Court where punishment results in incarceration in the county jail for up to one year. Allegan County has two District Court Judges and a Hearing Magistrate. All felony cases begin in and have several hearings with the District Court before they are Bound Over to Circuit Court.

These types of cases are large in number and include, assaults (domestic and others), drunk driving, traffic offenses and property crimes. As a matter of policy, this office has sought and received significant jail terms for repeat drunk drivers and domestic assault defendants.

In 2023, authorized Misdemeanor cases and ticket cases were 3247, which is only slightly lower than in 2022 which was 3477

OWI Cases

In 2023, 485 individuals were charged with Drunk Driving. Also, in 2023, 97% (472) of the OWI dispositions were convicted of either Operating While Intoxicated (OWI) or Impaired Driving. The pie chart below shows what the final disposition was on individuals charged with OWI. The graph next to it shows the total number of Drunk Driving Charges authorized from the years 2014 to 2023.

In 2022, there were 67 counts of felony level OWI, 3 counts of OWI Causing Death, 7 counts of OWI Causing Serious Injury, and 3 counts of OWI with an Occupant under the age of 16.

In 2023, there were 65 counts of felony level OWI, 1 count was OWI Causing Death, 8 counts of OWI Causing Serious Injury and 4 counts of OWI with an Occupant under the age of 16.

Moving Violations Causing Serious Injury and Death

In the past, when a vehicular crash resulted in death, it was called Negligent Homicide. In 2016, this statute was amended to change the charge from a 2 year high court misdemeanor to a 1 year misdemeanor. Moving violation causing serious injury was also amended and is now a 93 day misdemeanor. If a defendant was driving recklessly or under the influence of alcohol and/or controlled substances, felony level charges may be authorized.

These cases take a great deal of time reviewing and analyzing the crash reconstruction data which involves the need for expert witnesses. In addition, the Prosecuting Attorney personally meets with every family to explain the court process and assess the goals the family has for the case.

During 2023, there were 23 such charges. 10 were charged as Misdemeanors and 13 as Felonies.

Fines, Costs & Restitution

The graph below shows what the District Court has ordered in regards to fines, costs, and restitution where this office has actively been involved.

Domestic Violence

Domestic Violence is abuse perpetrated by one or both partners involved within an intimate or family relationship. Domestic Violence is considered to be fairly expansive in nature, due to the fact that it may include a wide range of victims, activities, and vary in severity. The term “Domestic Violence” can include physical assault, property damage, arson, home invasion, weapons charges, telephone misuse, interfering with electronic communication (interrupting a phone call for help), stalking, emotional abuse, unlawful imprisonment, sexual abuse, and homicide.

Domestic Violence can take place within a variety of intimate relationships, including married couples, individuals who are cohabitating, individuals considered to be intimately involved or child/parent relationship. Domestic Violence is not specific to any age, sexual orientation or economic group.

When children are subjected to Domestic Violence it can often result in the perpetuation of violence within the home, at school or in their own dating relationships.

Despite the existence of institutions providing resources, shelter, and assistance through the legal system, it is estimated that only about 50% of Domestic Violence incidents are reported.

The graph on the following page outlines the number of requests we receive each year for charges relating to Domestic Violence. As we see, Domestic Violence was an area that increased during the first year of the pandemic, but has slightly declined each year since covid restrictions eased.

In 1998, the 57th District Court, at the request of this office and the Allegan County Domestic Violence

Task Force, implemented a Domestic Violence Diversion Program where first time offenders are given the opportunity to receive counseling and avoid criminal convictions. The pre-requisites for acceptance into the program are specific, and one cannot qualify if there is aggravated physical injury or a history of Domestic Violence. The goal of the program is to stop the cycle of violence. The statistics from the 57th

DOMESTIC VIOLENCE CHARGING REQUESTS RECEIVED

District Courts Annual Report are extremely encouraging for successful results from this program.

Specialty Courts

It is an important part of our duties to respond to concerns of the community. One example is the participation of this office in the use of the Allegan County Mental Health Court, the Drug Treatment Court, West Michigan Regional Veterans’ Treatment Court and Sobriety Treatment Courts. These programs require assigning an Assistant Prosecuting Attorney to attend program meetings and hearings in court.

Mental Health Treatment Court

On September 14, 2009, Judge Skocelas together with representatives from the Allegan County Sheriff’s Department, Allegan City Police, Allegan County Prosecutor’s Office, Allegan County Community Mental Health, Michigan State Police, local defense attorneys and local substance abuse providers (OAR) to create a Mental Health Treatment Court.

During the year 2023, 21 people applied to the program, 8 people were admitted into the program, and 13 people were rejected. 2 people graduated successfully from the program. One individual withdrew voluntarily and 5 failed and were removed from the program. The number of graduates included participants that were admitted in 2022 as well as 2023.

Veteran’s Court

The West Michigan Regional Veterans’ Treatment Court began operation on February 7, 2014 and Magistrate Daniel Norbeck is the Administrator/Case Manager. The jurisdiction of the Veteran’s Treatment Court is that of both the district and circuit courts of Allegan, Van Buren and Ottawa counties, but also accepts veterans from surrounding counties. It was developed and organized by Judge Baillargeon and the treatment court team to help veteran participants address underlying service related issues.

Partnering with the court from all three counties are county commissioners, judges, prosecutors, probation, law enforcement, mentors, community supervision providers, treatment providers, the Veterans Health Administration, Veterans Benefit Administration, veteran employment representatives and veterans service organization service officers.

During the year 2023, 14 people applied for the program, 11 people were admitted, 3 were rejected. One individual passed away during the program, 2 voluntarily withdrew and one was removed. Five individuals graduated successfully. The number of graduates included participants that were admitted in 2022 as well as 2023.

Sobriety Treatment Court

The Sobriety Court was established in April of 2018 and is presided over by Judge Baillargeon. This was specifically designed to address Operating While Intoxicated (OWI) 2nd Offense. This program has three goals: divert from jail, eliminate substance use among substance abusers and to reduce OWI recidivism.

During the year 2023, 20 people applied to the program, 16 were admitted, 4 were rejected, 1 failed and 7 graduated successfully. The number of graduates included participants that were admitted in 2022 as well as 2023. Sobriety Court has 3 therapy groups with a maximum of 10 people allowed in each group at one time. This is the only Specialty Court that has a limit of how many people can be in at one time.

Drug Treatment Court

The first participant was admitted into the Adult Drug Treatment Court on June 30, 2011 and was presided over by District Court Judge Baillargeon. The Allegan County Drug Treatment Court addressed the revolving-door cycle in which drug and alcohol offenders moved in and out of the justice system. Drug Treatment Court provided a comprehensive, sustained continuum of therapeutic interventions, treatment and other services to increase a participant's periods of abstinence and reduce relapse, re-arrest and subsequently incarceration. During 2021, the program was discontinued.

FELONY CASES - CIRCUIT COURT

The Circuit Court docket includes felony cases which are crimes where punishment is incarceration in excess of one year. Allegan County has two Circuit Court Judges.

The chart on the following page shows the number of felony cases authorized each year and how many felonies were bound over to Circuit Court. Felony cases require significant staff time and multiple court appearances such as pre-exam hearings and preliminary examinations in District Court. If the case is bound

over to Circuit Court, the Prosecuting Attorney is responsible for all proceedings at that level including pre-trials, motion hearings, pleas, bench or jury trials, and sentencing. All felony cases have strict time limits both for preliminary examinations (within 14 days) and trials (within 180 days). Allegan County's two Circuit Court Judges are primarily responsible for handling the adult felony cases.

FELONY CASES AUTHORIZED AND BOUND OVER TO CIRCUIT COURT

Controlled Substances

A large portion of our felony case load consists of controlled substance violations. Out of the 288 felony drug charges that were authorized in 2023, 208 or 72.2% involved Methamphetamine. Those charges are: Deliver/Manufacture Methamphetamine (17) and Possession of Methamphetamine (191).

METHAMPHETAMINE CHARGES

There was an increase of other controlled substance cases including fentanyl and cocaine. Often, controlled substances are mixed and charged for the larger component of controlled substance.

ALL DRUG CHARGES

The use of Marihuana was legalized in December 2018. In the years prior to that more than 50% of all drug cases were marihuana related (2017 was 61.9% and 2018 was 53.49%). In 2019 it dropped to 3.76% (19), 2020 had only 9 cases, 2021 there were 13 cases, in 2022 there were 17, and 2023 there were 8 cases related to marihuana.

Criminal Sexual Conduct

Criminal Sexual Conduct (CSC) charges, Child Sexually Abusive Materials and/or Activity (CSAM), and Sexual Assaults are included in the graph on the right. The reduction in cases in 2020 has been linked to victims, particularly children, not having the safe adult to

FELONY CRIMINAL SEXUAL CONDUCT

disclose to when schools were shut down to in-person instruction. However in 2021, the reporting of cases significantly increased. These cases often require further investigation before authorization and additional cases are now pending in 2023. There was also a large increase in these cases in 2023. There were more cases involving Child Sexually Abusive Material than in previous years.

Habitual Offenders

Under Michigan’s current habitual offender law, once an individual has previously been convicted of one or more felonies (or attempts to commit felonies), that person can be sentenced for subsequent felony charges as a “habitual offender.” A habitual offender faces sentencing enhancements ranging from 25 percent, 50 percent, or 100 percent depending on the number of previous felony convictions on top of any sentence they could

receive for an immediate offense for which they are being convicted. The statutory maximum is also increased by this law. The Habitual Offender 4th+ is a statutory mandatory minimum of 25 years in prison for violent offenders who commit new violent crimes.

Assault GBH/Strangulation

In 2015, a change in the law made Strangulation a 10 year felony, instead of a 93 day misdemeanor. In 2015 our office charged 9 counts of Assault with Intent to do Great Bodily Harm Less Than Murder (Assault GBH) and 38 counts of Strangulation. In 2016 our office charged 18 counts of Assault GBH and 54 counts of

Strangulation. In 2017, our office charged 32 counts of Assault GBH and 18 counts of Strangulation.

Human Trafficking

In the last few years, Human Trafficking has come to the national forefront. It is defined as modern day slavery and includes recruiting, enticing, harboring, transporting or providing individuals for the purpose of forced labor or services. Traffickers use force, fraud, or coercion to lure their victims and force them into labor or commercial sexual exploitation. The trauma caused by the traffickers can be so great that many may not identify themselves as victims or ask for help, even in highly public settings.

Recognizing key indicators of human trafficking is the first step in identifying victims and can help save a life, and stop an offender.

Homicides

In 2023, we authorized five cases where individuals were charged with driving offenses causing death. One was Operating While Intoxicated Causing Death. One was charged with Driving While License Suspended causing Death. And, three were charged with Moving Violation Causing Death. These cases are assigned to the Prosecuting Attorney or the Chief Assistant Prosecuting Attorney and a junior attorney. They take a great deal of time to prepare, often involving 50 witnesses or more and a plethora of evidence.

During 2023, there were no charges authorized for Murder. Although, there were Murder cases that were charged in years prior that did not go to trial until 2024. During 2023, we had the People vs. Wilson, the People vs. Rawson and the People vs. King. All three went to trial during 2024 and all were found guilty on all counts. Many hours, weeks and months are spent each week preparing and organizing these cases, reviewing evidence, filing and answering motions, and meeting with witnesses.

In addition, two documentaries featuring the work of Prosecutor Koch and the law enforcement teams were made. The first was on Netflix called “Into The Fire: The Lost Daughter” which was based on the Dennis Bowman cold case homicide. The second will be on the ID (Investigation Discovery) Channel based on the convictions of Allison Martin & Justin Terpstra for the murder of Brandon Silverlight. Our teams were honored to find justice for those victims and their families. And to be their voice in these documentaries.

CIRCUIT COURT – FAMILY DIVISION

The Circuit Court – Family Division has one Family Court/Probate Judge, and two Hearing Attorney/Referees. In the Family Court, the Prosecuting Attorney has the responsibility of bringing cases of child neglect or abuse to the court, cases of juvenile delinquency, as well as involuntary Mentally Ill commitments pursuant to the Mental Health Code in Probate Court.

Abuse/Neglect

The chart on the right shows how many new Abuse and Neglect Petitions were authorized since 2014. In 2023 our office authorized 53 new Abuse and Neglect Petitions, which represents 100 children. Also, during 2023 our office filed 15 petitions to Terminate the Parental Rights of one or both parents in Abuse and Neglect cases.

ABUSE AND NEGLECT PETITIONS

Delinquency

In 2023, this office authorized 439 juvenile delinquency petitions. (This number includes some requests for charges received in 2022.)

DELINQUENCY CASES AUTHORIZED

The bottom chart illustrates charges regarding school threats and possession of weapons at school charges over the last 5 years. The increase in school threats and weapons in school are related to school shootings nation wide and even in the state of Michigan coupled with the increase in media and social media coverage surrounding them. The Allegan County Prosecutor’s Office took each case extremely seriously as each directly impacted the safety of our students and schools.

JUVENILE SCHOOL CHARGES

Mentally Ill

It is necessary to regularly appear for involuntary commitment hearings of the mentally ill. These hearings are held every month at the Kalamazoo Psychiatric Hospital (KPH). Our county is on a rotation schedule with 14 other counties, and in 2023 our office attended 3 times. These Hearings typically require an APA from our office travel to the KPH on the days our Probate Judge and his recorder are scheduled to conduct these hearings. These were changed to Zoom hearings when court resumed during the Covid Restrictions. During 2023, all of these hearings continue to be conducted via Zoom. Occasionally, our Probate Court will conduct hearings on Mentally Ill Petitions for Treatment with Judge Buck. During 2023 there were 25 (there were 26 in 2022) hearings set in the Allegan County Probate Court that our office attended. These cases include many people that are a serious threat to the public or themselves.

CRIME VICTIM ASSISTANCE

Most crime victims experience physical suffering, financial loss, and emotional distress. Physical injuries occur in nearly one-third of all violent crimes. Our Victim Assistance Program provides an extensive notification service to victims to advise them of each court proceeding as their case moves through the court system. In 2023, the Victim Assistance Program provided over 12,333 contacts with victims throughout the year. This is 517 more contacts than in 2022. This is a very important function of this office and is mandated

by the Crime Victims Rights Act. During 2023, our office provided services by way of letter, telephone contact and email, providing support to victims in court and providing appointments with victims of various crimes.

The Victim/Witness Coordinator serves as the primary contact for victims of Domestic Violence, Criminal Sexual Conduct, Homicide/Open Murder, Drunk Driving or Driving Under the Influence of Controlled Substance Causing Death or Serious Injury, as well as other victim related crimes. This contact includes explaining of rights, court procedures, services, shelter alternative and assistance. On every death related case, the Prosecuting Attorney, Assistant Prosecuting Attorney, Detectives and Victim/Witness Coordinator personally meet with the families of the victims multiple times.

Our Victim Assistance Program is funded by a grant of \$171,547. This Grant is used to employ both a full time Victim's Rights Coordinator, full time Victim's Rights Administrative Assistant, and a part time Victim Advocate Specialist, who assists the Victim/Witness Coordinator.

The Allegan County Victim/Witness Coordinator has a Bachelors Degree in Psychology with over thirty-three years of experience working with child and adult victims.

Canine Advocate - Joey

On July 11, 2019, our office received our Canine Advocate, Joey. Joey is a yellow lab and was 18 months old when he came to work in our office. His primary handler is Emelda Calanchi-Pope, our Victim/Witness Coordinator, and his secondary handler is Judith Kasson, our Chief Assistant Prosecutor.

During 2023, Joey assisted 147 children, teens and adult victims prior to prelims and for trial prep and during appointments. This is an increase of 77% over the previous year

He assisted in 6 Preliminary Hearings and 3 Circuit Court Trials which each lasted several days at a time. Even though the victims and witnesses weren't in court every day, Joey stayed with them the whole time they waited in our office as the trial continued.

In February 2023, MSU suffered a horrific school shooting that took the life of three young adults. On April 4th, Joey had the honor of welcoming students and faculty back into the Student Union as they reclaimed their building. Joey received many

hugs, hearty belly rubs and brought smiles to many faces. Joey’s laid back personality was a perfect fit for the day.

In January 2023, Joey celebrated his 5th Birthday. Among many other things, he participated in the Safe Harbor’s Pinwheel Garden Open House in April, attended a Board of Commissioner’s Meeting in September. Joey also participated in Wear Purple Day in October, and dressed up for Halloween.

Joey has his own Facebook page with occasional uplifting posts and Holiday messages.

APPEALS

Persons convicted of crimes are entitled to seek appellate review of their conviction, as are parents involved in civil child protection cases, juvenile delinquents, and those subjected to involuntary mental health proceedings. The Prosecuting Attorney prosecutes these appeals. In addition, the Prosecuting Attorney periodically seeks redress in appeals courts. A lack of diligence in defending appeals can result in convictions being overturned and dangerous people being prematurely released from incarceration. In addition, as they say, “Justice delayed is justice denied.” Re-litigating cases that are reversed on appeal causes additional trauma to victims and witnesses and substantial costs. Occasionally, appeals are pursued prior to trial. These also require action by the Office.

As reflected in the graph below, the Prosecuting Attorney received and reviewed 64 pleadings from the Court of Appeals. Our office responded by filing 43 pleadings and our office participated in 10 oral arguments in the Court of Appeals. We received and considered 60 instances of correspondence from the Court of Appeals.

Our office received and reviewed 12 pleadings filed in the Michigan Supreme Court and our office responded and filed 10 pleadings. The office received correspondence requiring consideration 11 times from the Supreme Court. And, our office attended one oral argument on Lowe.

The Office received 4 appeals pleading following a conviction for a violation of a Personal Protection Order and filed a response.

LAW ENFORCEMENT AGENCIES

This office serves all the law enforcement agencies in Allegan County including the Sheriff’s Office, the State Police, DNR, and the Cities of Plainwell, Otsego, Wayland, Holland, Allegan, Douglas, Fennville and Gun Lake Tribal Police Department. The Gun Lake Tribal Police was established in 2012.

As the gatekeeper of all criminal activity from the policing agencies to the court system it is critical to our criminal justice system to adequately staff the Office of the Prosecuting Attorney and not compromise the public safety of the citizens of Allegan County. The pie chart below shows of all the charging requests we received in 2023, and what the percentage was from each police agency. Also, below is a graph showing what the different agencies have submitted over the last 5 years, and the one on the following page shows more detail as to all the different agencies that have submitted warrant requests for review the last 10 years.

BOARD OF COMMISSIONERS OF THE COUNTY OF ALLEGAN

2025 FINAL BUDGET - SET PUBLIC HEARING

WHEREAS, consistent with the Uniform Budgeting Act, the County Administrator has submitted a recommended balanced budget to the Board of Commissioners; and

WHEREAS, the Board of Commissioners has accepted the recommended budget for final consideration.

THEREFORE BE IT RESOLVED that along with consideration of the final proposed budget, the Board of Commissioners set a public hearing at 7:00 P.M. at the Annual Board Meeting on October 10, 2024, for review of the 2025 budget.

M E M O

TO: Board of Commissioners

DATE: September 26, 2024

RE: **FY 2025-2029 Draft Proposed Budget**

I am pleased to present the FY 2025-2029 proposed budgets for your consideration. Financially, the upcoming year is planned to maintain a stable level of service and operations, *and* continue the implementation of several Board priorities in the law enforcement, judicial, transportation areas, in addition to completing the renovation of the Courthouse and County Services Buildings. Funds are also directed to the maintenance of the County's portfolio of facilities, vehicles, and parks.

On an ongoing basis, the Board is engaged in the budget process particularly at the governance and policy level. The Board's work in adopting its Strategic Plan was utilized in the formation of the 2025-2029 budgets. In addition, each year the Board reviews and adopts the Budget Policy which provides general direction and specific parameters for the development of a recommended budget. Commissioner input is sought each year regarding the budget process, including the opportunity for each Commissioner to request specific information while the draft budget documents are being created. The Board also establishes personnel compensation parameters which impacts the majority of the budget. Capital parameters and priorities are set by the Board which provide direction for the development of the capital plan. On an ongoing basis, the Board receives revenue and expenditure status reports, capital reports, departmental performance reports and annual presentations, all aimed at keeping the Board engaged with the budget and related activities as well as departmental needs. Of course, overall financial accountability is reflected in the annual audit presented to the Board.

As a result of process improvement, budget planning is a more consistent process and information is getting to the Board earlier allowing more time for questions and consideration while still planning for the adoption of the budget well within the statutory timeframe. To stay on track with the timeline adopted in the Budget Policy, the Board will be asked to schedule an October 10 Public Hearing on the budget, which is also the target date for adoption of the FY 2025 budget. State law only allows for the official adoption of a budget for FY 2025; years 2026-2029 are for longer-term internal planning.

Items of Note – General Fund

Revenues

- *Property Tax:* The 2025 budget was built using the Board-adopted April 2021 strategy document relative to the approved tax limitation adjustment. The Taxes category as a whole, which includes Trailer Tax, Industrial Facilities Tax, Marijuana Excise Tax, and Real & Personal Property Tax, is anticipated to increase by 7.4% but without an increase in the millage rate. For 2025, the tax revenue solely attributed to Property Tax is projected to increase by 6.7% per year, which is a combination of true growth plus Proposal A (allowed inflation) increases. The conservative approach is to continue the strategy that levies less than the maximum allowed so that a buffer may be maintained. Even with this conservative approach, by 2027, projected Headlee rollbacks will result in the County levying just 0.1919 mills less than the maximum millage rate.
 - A budget has been established for the receipt of Marijuana Excise Tax from the State. These dollars come from the 10% excise tax charged on recreational sales and are distributed to the municipalities in which retail dispensaries are located. In March of 2024, The County received \$709,036 for FY 2023 Excise Tax. This was a 70.9% increase over previous year's distribution. The County will not receive the FY 2024 distribution until March of 2025 so a conservative estimate of \$725,000 has been entered (2.25% increase).
- *MDOC Detainee Housing Fee:* This is revenue received from MDOC for accepting low-risk detainees held for probation or parole violations of individuals from Kent County. The County would receive \$35 per day per detainee for up to 30 days. The transportation to/from the County Jail as well as medical costs would all be covered by MDOC. We have an estimate of \$150,000 for FY 2025 that mirrors the FY 2024 budget.

- *Budget Stabilization Fund:* Generally, expenditures should be balanced to revenue without the use of Budget Stabilization. In years where services would otherwise be significantly reduced, it is appropriate to use Budget Stabilization as a tool in a reasonably sustainable manner. The following table shows the history of the use (as a Transfer Out) of this Fund.

2024	5,324,893	396,954	-	5,721,847

Currently, the 2025 draft budget does not include the use of Budget Stabilization Fund dollars.

- *General Fund Committed Reserve:* While preparing the 2021 budget, the Board approved a three-year (2021 - 2023) “COVID-19 Distribution Reserve” in the General Fund. This Reserve was created from the General Fund surplus fund balance distribution process that is detailed in section 4.13 of the Budget Policy. At the onset of the Courthouse and CSB renovations, we recommended using these funds towards payment of the construction. We will be transferring the balance of \$1,847,354 to the Capital Fund in 2024.

General Fund Committed Reserve Balance	Fund 101-374.190
COVID-19 Reserve Fund 12/31/2021	4,222,591.00
2021 Budget Transfer	(1,396,328.00)
2022 Budget Transfer	(978,909.00)
Available for Future Years	1,847,354.00

Expenditures

- *Personnel:* The overall General Fund status quo personnel costs increase is 5.9%. This includes the Board-approved double-step increases in the wage table and an additional 1.75% increase to the annual across-the-board wage adjustment. The list of approved and deferred position requests is subject to update at the request of the Board.
- *Reserve Deputies - Adjustment for 2025:* An adjustment of \$22,176 was made to Reserve Deputy Wages to accommodate for pay during training time and ensures these individuals are fully covered under Workers Compensation during training.
- *Academy Recruit Sponsorship for 2025:* A pool of hours enough to cover 3 cadets were added to the Academy Sponsorship program for 2025. This was a pilot program started in 2023 as another avenue for recruitment as part of the Engaged Workforce Strategic Plan. The continuation of this program for up to 3 cadets is budgeted at \$121,439 in wages. Currently, recruit wages may be eligible for reimbursement from the State of Michigan. Should such revenue be received, it will either offset those costs if no additional recruits are available or the additional revenue will be adjusted to offset the additional expense of more recruits.
- *Assistant Prosecuting Attorney Wage Adjustment for 2025:* An additional pay grade step was added in 2024 and a new job position created for Assistant Prosecuting Attorneys (APA3) to recognize increased responsibilities. The number of positions moved from APA to APA3 were three in total. This accounts for an additional \$43,129 in wages for 2025. Under administrative thresholds, APA2 positions will continue as C43 classification and a new C41 classification will be established to accommodate APA1 positions.
- *New Positions for 2025:* General Fund positions requested totaled \$1.59M. Organization-wide compensation was given priority over new position requests. Pending parameters being finalized between the requesting department and Administration, the following positions will be included in the final recommended balanced budget within the General Fund:

GENERAL FUND

<i>Dept</i>	<i>Position Request</i>	<i>2025</i>
Multiple Courts	New Full-Time Court Specialist	76,979

Elected Officials Salaries:

Policy Overview:

Section 4.9 of the Budget Policy mandates that the salaries of Elected Officials and their Chief Deputies be established prior to the start of a new term in accordance with applicable law. The calculation and any adjustments to these salaries are to be recommended following a methodology consistent with that used for non-bargaining employees.

Salary Survey Process:

1. **Survey Collection:** We contacted the Human Resources departments of 13 identified comparable counties to gather salary information.
2. **Data Compilation:** We compiled the collected data into a spreadsheet, listing the salaries for both Elected Officials and their Chiefs.
3. **Median Calculation:** We calculated the median salary for each position based on the compiled data.
 1. **Understanding Median Calculation:** The median is a statistical measure used to determine the middle value in a data set, which provides a more accurate reflection of central tendency in the presence of outliers or skewed data. Unlike the average, which can be significantly affected by extremely high or low values, the median represents the point where half of the data points are above and half are below.
 2. **Why Use Median Instead of Average?** The median is used instead of the average to ensure that salary recommendations are not unduly influenced by unusually high or low salaries in the data set. This approach provides a more balanced and fair representation of typical salary levels.
 3. **Examples of Median Calculation:**
 - **Example 1: With 3 Data Points**
 Data Points: \$55,000, \$60,000, \$65,000
Arrange the Data: \$55,000, \$60,000, \$65,000
Identify the Middle Value: With 3 data points, the middle value is \$60,000.
Median Salary: \$60,000

- **Example 2: With 6 Data Points**

Data Points: \$50,000, \$55,000, \$60,000, \$65,000, \$70,000, \$75,000

Arrange the Data: \$50,000, \$55,000, \$60,000, \$65,000, \$70,000, \$75,000

Calculate the Average of the Two Middle Values: The two middle values are \$60,000 and \$65,000. Median= $\frac{60,000+65,000}{2}$ -- then divide by 2 = \$62,500

Median Salary: \$62,500

By applying this median calculation methodology, Human Resources ensures that wages are set in a manner that is reflective of the typical compensation levels across comparable counties.

Based on the process listed above, a resolution has been prepared for the Board's consideration.

- *Health Care Costs:* In accordance with P.A. 152 ("Hard Cap") directives, a 2% increase has been budgeted for health care (medical, dental and vision) costs. Because the County's costs were less than the Hard Cap for 2024, this increase will be enough to cover the expected .20% increase to the County's actual costs through the West Michigan Health Insurance Pool.
- *Drains Public Benefit Expense:* This expense was increased from \$100,000 to \$160,000. Five large projects will be completed in 2025 and the County will be assessed on those projects.
- *Contingencies:* The amount earmarked for contingencies is \$611,847.
- *Operating Costs:* The gross operating costs change from FY24 to FY25 for all General Fund Departments is up 3.6% or approximately \$334,250. The primary drivers of this increase are Information Services Costs (up 32.4%), Courthouse Facilities Costs (up 43.8%), Drain Public Benefit Assessment Costs (up 60.0%), and Jail Facilities Costs (up 78.4%).
- *Transfers Out:* As part of the April 2021 Strategy document regarding the early payment of debt, a \$2.4 million Transfer Out to the Liability Sinking Fund is included in this budget. A portion of this may be diverted for payment of the courthouse renovation project.

Items of note – Special Revenue Funds

- *Personnel:* The comments regarding General Fund personnel cost drivers hold true for non-General Funds. The following positions are recommended as they are fully funded through program dollars or materially funded through increased reimbursement. These positions are coterminous with available funding.

NON GENERAL FUND

- *Liability Sinking Fund:* This Fund accumulates dollars to pay down debt on an accelerated schedule. In 2022, \$7.65 million was distributed to MERS to restore the Defined Benefit pension funding level to 100%. A \$2.4 million General Fund transfer to this Fund is planned for both 2024 and 2025. All of these transactions are directed in the April 2021 Strategy document. In addition to these budgeted transfers, the Budget Policy directs that the Fund receives a portion of the General Fund surplus balance, measured at the end of each audit. The 2023 audit has been completed and this Fund has received a

\$4,588,113 contribution, bringing the Fund balance to \$14,648,637. We are recommending that this balance be used towards payment of the Courthouse renovation taking place in 2024 and 2025. While this seem counterintuitive to our Strategic Plan initiative of paying down our debt, it actually is aligned. Our debt interest rates are lower than what we would have received if we issued bonds to pay for the construction project. By using this Liability Sinking Fund to pay for construction, we are keeping interest rates lower and will refocus on that Strategic Plan initiative after construction is complete.

- *Parks & Recreation Fund:* The expenditures for the Parks Fund have now exceeded the revenue received from the Local Revenue Sharing Fund, primarily due to Personnel costs. Some potential options to balance the fund are to increase park fees, stop charging Indirect Costs to the Park Fund, reduce tourism activities and close one or more parks, additional General Fund money or a Park Millage. We are recommending to pause the Indirect Cost Allocation for 2025 to cover the shortfall.
- *PTO Liability Fund:* The PTO (Paid Time Off) Liability Fund is the mechanism that is used to capture and fund the County's total liability for accrued time off. The Budget Policy directs that this Fund be used to cover PTO payout amounts, such as at the time of an employee's retirement. Because Compensatory (Comp) Time payouts have the same liability profile as PTO, a budget has been created in the Fund to cover expected retirements. Creating a budget in this Fund, rather than budgeting for payouts in each department, avoids fluctuations in departments' personnel budgets.
- *Transportation Fund:* In accordance with the April 2021 Strategy, the Transportation Fund has an \$917,535 transfer in from the General Fund. This revenue will leverage State and Federal dollars, to provide expanded services to the County's residents.
- *Senior Services Millage Fund:* Expenditures in the five service areas are projected to increase due to contract (unit price) increases, as well as volume (quantity) increases.
- *Monsanto PCB Settlement Funds:* The County has received \$1.35 million as part of a state-wide lawsuit against Monsanto for PCB contaminants. \$1M will be allocated to the Household Hazardous Waste & Electronics Disposal program over the next 5-10 years and the remaining funds will be reserved for the Drain Revolving Fund and Drain technology improvement projects.
- *Animal Shelter Fund:* The transition to a County-run shelter supported with enhanced services by volunteers and other support agencies has been completed successfully. Revenues and expenses have now been adjusted to \$713,600.

Full and part-time staff have been brought onto the County's compensation structure and consist of the following positions:

Full-time:

1 Shelter Operations Supervisor
1 Office Specialist
1 Administrative Assistant
2 Lead Animal Caretakers
1 Medical Coordinator Job
1 Veterinary Assistant

Part-time:

2 Animal Caretakers
1 Administrative Assistant
1 Canine Behavioral Specialist

Internal service areas such as Facilities Maintenance, Information Services and Sheriff's Department all still work together to support operations. Partner agencies such as Wishbone Pet Rescue Alliance, For the Sake of Being Humane Rescue and Harbor Humane Society provide valuable services including recruiting volunteers, promoting adoptions via social media, arranging foster homes and assisting with high-volume animal surrenders. Donations have continued to flow directly to those agencies as well as to the County Shelter.

Capital Projects:

Per the Budget Policy, this Fund receives the first \$1.3 million of State Revenue Sharing (SRS) dollars, and 60% of the amount that exceeds \$2.2 million. A Capital Project List has been provided in the Budget Packet for the Board's consideration. To the extent necessary, the County Administrator is authorized to allocate ARPA interest funds received toward the Capital Fund to carry out the funding of those projects.

Grants:

A comprehensive list of anticipated grants is included in this packet. Grants that appear on this list are able to be handled administratively with a report back to the Board in accordance with the Budget Policy. With the exception of Health Grants, which require a special Maintenance of Effort calculation, the estimated amount of County funding required by the granting source may be found in the column titled "Local Match Required". Amounts found in the "Anticipated Additional County Funding" column may be modified without fear of losing the underlying grant funds, although service levels (including staffing) may be impacted. In accordance with the Budget Policy guidance, grant applications now request reimbursement for indirect costs when the grant allows for cost recovery. A column indicating the status of indirect costs is included on the Grants Master List.

Fleet List:

A complete list of vehicles, boats, and trailers is included in the budget packet. As in past years, absent new grant funding or donations, items that were originally procured through a grant or donation are not planned for replacement through the County's capital process.

Fee Schedule:

The Budget Policy requires that the County-wide fee schedule be included with the budget submission to the Board. This list is included in the budget packet.
