

Are You Prepared for an Emergency? *Version 6/1/09*

The Allegan County Emergency Operation Center is concerned about the safety of Allegan County residents during an emergency/disaster. Below is a simple questionnaire to help you assess your ability to meet your needs should an emergency/disaster occur.

Yes	No	1) I receive information about local emergencies/disasters by radio, TV, or through friends and family.
Yes	No	2) I have transportation from friends or family so that I could evacuate an area if needed.
Yes	No	3) I able to take care of myself during an emergency/disaster or I have someone who lives close by who I can count on to help me in an emergency/disaster.
Yes	No	4) I have caregivers (i.e. doctor, nurse, family, friend, neighbor, case worker, etc.) who can offer care, support, medications, and/or medical supplies to me during an emergency/disaster.

If you answered NO to any of the sentences above then you are invited to complete the attached Special Needs Registration form and mail it to the Office of Emergency Management, 3271 – 122nd Avenue, Allegan, MI 49010. Completion of this form does not guarantee that you will be provided transportation or sheltering in an emergency. The form will be used to try and contact you in an emergency/disaster to assess your needs and locate needed resources to keep you safe.

Public Service announcements will be made in an emergency/disaster notifying you of what is happening and who you can call if help is needed.
