

Allegheny County Health Department

Example Plot Plan for Single Family Well / Septic Application

Required with your site plan:

- Minimum (2) distances from property lines to the proposed home location
- Preferred septic location
- Proposed well location
- Property dimensions
- Any bodies of water, wetlands, streams, etc. present on the property
- North Arrow
- Lots under 1 acre must show locations of proposed utilities (gas, electric, etc.)

***A site plan missing these items is likely to delay your turn around time and can possibly result in rejection of your well and / or septic application.**
