Outcomes, should be submitted through the budget process by May 31, 2022 (may need to extended depending upon pandemic demands) for final Administrative recommendation and Board consideration in the documented budget process. At this time, the immediate demands of the pandemic do not allow a process to be completed this year.

Strategic Goal: Maintain Financial Stability.

Board Priority Project: Audit

Provide financial structures and training that creates a culture of strong internal control, culminating in well-prepared workpapers/ financial report with a clean audit opinion.

Deliverables:

- No audit findings of "material weakness" or "significant deficiency".
- No deficiency letters from the State.

Strategic Goal: Support a united and engaged workforce.

Board Priority Project: Maintain employee labor relations. By prioritizing good labor relations, Allegan County has made many benefits more consistent, minimized the need for separate bargaining meetings, increased employee input, synchronized Collective Bargaining Agreements which are ratified on-time. It is important the County remain proactive in this area and that the employees share a healthy relationship with each other and the employer to deliver their best performances.

Deliverables:

- Maintain an accessible team site with full organizational access (Agendas, minutes, etc.)
- Continue proactive meetings (quarterly or more as needed) to gather input from employee groups and share information.
- By December 31, 2022 have all Collective Bargaining Agreements ratified, signed and posted to the County's website.

Board Priority Project: 5-Year Market Wage Review: On January 9, 2014, the Board authorized a comprehensive compensation study with the goal of creating a new compensation system inclusive of 5 year reviews of the wages within the comparable market to ensure reasonable competitiveness of the County's wages is maintained.

Deliverables:

- Update the single organization-wide wage table to maintain at least the midpoint of market comparable wages
- Maintain the Decision Band Method (DBM) of classifications
- Reduce the number of steps and maintain affordability.

Funding: Contingent upon study method, currently working with in-house resources. To the degree additional services are needed, existing operational funds will be evaluated first. Based on the original bids for the larger comprehensive compensation study, a periodic wage market review was estimated at \$20K.

### Projects Needing Further Direction

- Economy
  - ARPA - Need BOC direction
  - Broadband Access- Need BOC direction
- Facility Planning
  - Youth-home - Need BOC direction
  - County Services Building
- Board Meetings - Need BOC direction

#### Decision Point 1

**Strategic Goal:** Provide valuable and necessary quality services to our customers.

**Board Priority Project:** American Rescue Plan Act (ARPA) - ARPA provides support to the public health response and lays the foundation for a strong and equitable economic recovery. Specifically, the State and Local Fiscal Fund provides resources to help governments address revenue losses experienced and cost incurred, to invest in infrastructure, including water, sewer, and broadband services, among other possible uses. (Adapted from the U.S. Department of The Treasury Fact Sheet)

**Deliverables** (Amendment 1: "the following shall be used as a framework for the development of a plan and the plan shall be subject to Board consideration prior to reimbursement or expenditure of funds being sought"):

- Amendment 3 "The ARPA Plan developed upon the framework outlined below shall be subject to a noticed public hearing prior to final consideration by the Board of Commissioners."
- Research the eligible use of ARPA funds, reporting requirements, and other parameters as information is released
- If eligible:
  - First, reimburse County for expenditures and loss in revenue in connection with pandemic response, Amendment 2 "with prioritization given to the Public Health response not covered by other funds".
  - Second, allocate funds to the continued pandemic response efforts, Amendment 2 "with prioritization given to the Public Health response not covered by other funds"
  - Third, allocate funds to the extent they can support the Priority Projects contained within this plan
- If determined applicable by the Board, develop a system to obtain additional stakeholder input once funds have been allocated to initial priorities.

### Decision Point 2

Administrative Recommendation for Project Plan:

Strategic Goal: Provide valuable and necessary quality services to our customers.

Board Priority Project: Broadband

Increase the accessible availability of reliable internet connectivity, with a preference of broadband speeds (minimum 25mbps, desired 100mbps+, download)

Step 1 - Upon verification of eligibility through the ARPA funds (*Amendment 1 - Moved by Deyoung, Seconded by Storey - 6 yes, 1 no - Thiele: or identification/allocation of alternative funds*), hire a directly employed or contracted project lead (and possibly team) to lead the project and deliver results for Board approved (S.M.A.R.T.) goals.

Step 2 - Consider partners, technical professionals, and other stakeholders to serve as an advisory resource to the project team.

Step 3 - Gather necessary and relevant data to form S.M.A.R.T. goals.

Step 4 - Consider plans, proposals, legislative initiatives and other resources to establish and implement plans for increased accessibility.

Partnerships, e.g. Ottawa County, continue to collaborate, share information and keep options open while maintaining locally focused project teams and initiatives.

### Decision Point 3

Strategic Goal: Continuously improve our processes

Board Priority Project: Facility Planning

Youth Home

- Recommendation - Authorize a master plan to be developed to address the long term needs of Youth Home facility. Subsequent, develop a funding plan to support implementation of the plan, once approved.
- Current funding plans are limited to the following policy "Prior year surplus, as determined by the completion of the annual financial audit, shall be used to maintain fund balance as shown in Appendix 6.A. Excess surplus, beyond the amount needed to maintain fund balance shall be used as follows:
  - 100% shall be transferred to the Youth Home CIP fund (2465) and designated as Child Care Buildings & Infrastructure fund projects."

County Services Building (Last discussed March 12, 2020)

- Recommendation - With the pending availability of space resulting from CMH moves, *Amendment 1, Moved By Dugan, Seconded By Cain, "and subsequent to a legal analysis demonstrating what current Courthouse occupants may be eligible to move to the County Services building and the Board's concurrence with such analysis"* Yes Unanimous, develop a master plan in conjunction with the approved Courthouse planning to move any non-court related functions to the County Services Building. This would support the Board's direction relating to the use of the Courthouse for court functions, will make efficient use of available space, create easier access to services for customers and, among other benefits, will save significant money over new construction.

CMH Clinic Building

- Recommendation - Considering the nature of the property the building resides on, it is recommended either a need be identified the building is able to meet, an appropriate occupant be identified for a lease arrangement or the building be demolished

Objectives for today:

1. Review the steps that brought us to the Final Draft 2021-22 Strategic Plan (Connect the dots)
2. Receive direction on outstanding items so they may be incorporated into the plan (This means the decision points portion of this exercise will result in 1) project being referred for further analysis, 2) project being moved to implementation or 3) project being removed from the plan.
3. Adopt (or refer to April 22 for adoption) the final plan for implementation

RE: 2021 Equalization Report

Ladies and Gentlemen:

The Allegan County Equalization Department has prepared the attached report of values within the 24 townships and 9 cities in the county. The values as shown are extracted from the local governmental unit 2021 assessment rolls and have been equalized when necessary to compensate for any inequalities between jurisdictions as is required by Section 211.34 of the Michigan Compiled Laws. As determined through the audit process no adjustments are necessary. I am therefore recommending the values as submitted be adopted as equalized.

The 2021 values as indicated by this report reflect a 6.12% increase in equalized value overall when compared to the 2020 values. The total county equalized value projected is 7,680,740,016.

I would like to commend the Equalization Department staff and each of the County's Assessing Officers for their dedication and hard work, without which, this report would not have been possible.

Respectfully submitted,

Matthew Woolford, MMAO  
Equalization Director

**25/** Chairman Storey opened the meeting to public participation and the following individuals offered comments:

1. Josh Driscoll of 3081 53<sup>rd</sup> St. Hamilton thanked the board for taking up the ORV Ordinance and stated if the Board is looking for public comment on the issue the meetings should be held in the evening.
2. Commissioner Storey noted that supporters of the ORV ordinance submitted a copy of the letter that Josh Driscoll read and signatures of residents who support a county wide ORV ordinance

Good Evening,

As you can see by tonight's turnout, your constituents and our community are showing a great deal of support for the county board of commissioners to schedule a public hearing and subsequently pass this ordinance into law.

This only tells part of the story however, I want to share some numbers and information that paint a picture of an entirely different magnitude.

As you all know, social media plays a very big part in communication in our world today. As such, this event was shared on Facebook to encourage attendance tonight.

On one page it was shared 28 times.

On another page it was shared 86 times.

As you are also aware each time a "post" is shared is an opportunity for positive or depending on your view of social media, more likely, negative interaction.

As of 8:30, last night, April 21, the analytical tool embedded into Facebook indicated that over 13,000 people had seen that post, 2000 people had actually clicked on it.

There were zero, I repeat ZERO negative, what Facebook calls, reactions in all of the shared posts that I had permissions to view.

I conclude today by simply imploring you to respect the will of the people who have appeared here today and invested their time to demonstrate a sample of the desire of the constituency of Allegan county to enact a countywide ordinance allowing ORV usage.

Sincerely,  
Joshua Driscoll  
3081 53rd St.
