***On August 22, 2019, the Board more specifically passed the following resolutions:***

***Resolution #1“...Proceed in the design of a central security entrance for the courthouse entitled “New Main Central Entry” as presented within the GMB presentation.”***

- All options presented provide a new clear central entrance to the courthouse with necessary support spaces and circulation.

***Resolution #2 “...Proceed with the design of a sally port located at the north side of the building of the courthouse.”***

- All options presented provide a new two vehicle sallyport located off of the NorthEast corner of the existing courthouse with two new holding cells and necessary circulation.

***Resolution #3 “...Proceed with the design of additional holding cells and the improvement of existing holding cells to ensure appropriate security, separation and sanitary conditions.***

- All options show interiors renovations that bring the existing holding cells up to current code and standards.
