Honorable Board of Commissioners
Allegan County
Allegan, Michigan 49010

Gentlemen:

The Allegan County Equalization Department has prepared this report booklet. This booklet presents an in-depth analysis of Allegan County tax levies as they relate to County, Townships, Villages, Cities, Local school districts, Intermediate school districts, Community colleges, Library and Authorities. The statutory responsibility of the County Board of Commissioners is contained in Sec. 37 of the General Property Tax Law, Public Act 206 of 1983 as amended, Section 211.1 through 211.157:

Sec. 37. The county board of commissioners, at its annual session in October in each year, shall ascertain and determine the amount of money to be raised for county purposes, and shall apportion the amount, and also the amount of the state tax and indebtedness of the county to the state among the several townships in the county in proportion to the valuation of the taxable real and personal property as determined by the board or as determined by the state tax commission upon appeal in the manner provided by law for that year, which determination and apportionment shall be entered at large on county records. The board shall also examine all certificates, statements, papers, and records submitted to it, showing the money to be raised in the several townships for school, highway, drain, township, and other purposes. It shall hear and duly consider all objections made to raising that money by any taxpayer affected. If it appears to the board that any certificate, statement, paper, or record is not properly certified or is in anyway defective, or that any proceeding to authorize the raising of the money has not been had or is in anyway imperfect, the board shall verify the same, and if the certificate, statement, paper, record, or proceeding can then be corrected, supplied, or had, the board shall authorize and require the defects or omissions of proceedings to be corrected, supplied, or had. The board may refer any or all the certificates, statements, papers, records, and proceedings to the prosecuting attorney, who shall investigate and without delay report in writing his or her opinion to the board. The board shall direct that the money proposed to be raised for township, school, highway, drain, and all other purposes as authorized by law, shall be spread upon the assessment roll of the proper townships, wards, and cities. This action and direction shall be entered in full upon the records of the proceedings of the board, and shall be final as to the levy and assessment of all the taxes, except if there is a change made in the equalization of any county by the state tax commission upon appeal in the manner provided by law. The direction for spread of taxes shall be expressed in terms of millages to be spread against the taxable values of properties and shall not direct the raising of any specific amount of money. This section does not apply when section 36(2) 1 applies.

Amended by P.A. 1994, No. 415, Sub. Sec. 1, Eff. Dec. 29, 1994

This report was assembled as a tool to respond to the questions presented to various county offices throughout the year relating to the tax rates on properties within Allegan County. Each user should be cautioned that the rates and revenues shown in this report do **not** include any amounts for special assessments (except unit-wide ad valorem special assessments), IFT/CFT/REZ tax levies, tax administration fees, delinquent interest or penalties. While these additional costs may not apply to a particular property, investigation of each property situation is suggested to insure tax cost information.
