ALLEGAN COUNTY PROBATE COURT

---

**MEMORANDUM RE GUARDIAN AD LITEM FEES**

The Allegan County Probate Court has adopted the following policy concerning payment of guardian ad litem fees. Michigan law requires that a guardian ad litem be appointed to safeguard the interest of the person for whom the guardianship/conservatorship is being sought. Payment of the guardian ad litem fees are the responsibility of the Petitioner, unless otherwise prearranged with the Allegan County Probate Court. Please be prepared to pay the guardian ad litem visitor on the date of your hearing. Fees for this service typically range between \$150.00 and \$200.00.

Lastly, please be sure to include your telephone number on the Petition so that the Court and/or the guardian ad litem may contact you to schedule an appointment.
