FINDING OF NO SIGNIFICANT IMPACT

It has been determined that such request for release of funds will not constitute an action significantly affecting the quality of the human environment and accordingly the above-named County has decided not to prepare an Environmental Impact Statement (EIS) under the National Environmental Policy Act of 1969 (P.L. 91-190).

The reasons for such decision not to prepare an EIS are as follows:

Environment review revealed no evidence of recognized environmental conditions with connection to the site.

An Environmental Review Record respecting the proposed project has been made by the above-named County which documents the environmental review of the project and more fully sets forth the reasons why an EIS is not required. This Environmental Review Record is on file at the above address and is available for public examination and copying upon request at the County Administration office between the hours of 8:00am and 5:00pm and available on the County website at www.allegancounty.org under News Media Room.

(If Applicable) No further environmental review of such project is proposed to be conducted prior to the request for release of federal funds.

RELEASE OF FUNDS

County of Allegan will undertake the project described above with Community Development Block Grant funds from the Michigan Strategic Fund under Title I of the Housing and Community Development Act of 1974.
